 FILE NO. 741.5
 RE LETTER OF
 SUBJECT Colgate Division Grievance No. D.Gr/C 12-74-4
 Overtime Pay From Transferring From Day to Night
 P-RC 96

October 29, 1974

MR. D. N. STRUNK, Chairman
 Colgate Division
 Joint Grievance Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee. It was determined that the record did not contain sufficient information and is being returned to the Division for further investigation.

1. What dates were the grievants transferred to the temporary schedule, and what were the hours of the temporary schedule?
2. What are the hours of the grievants' regular schedule?

As to the issue of whether the assignment of a Materials Leadman classification code 1085 to Materials Leadman classification code 1086 is an upgrade in the normal Line of Progression, the Pre-Review Committee is of the opinion that within the meaning of the Job Definition and Lines of Progression for the Division Materials Department and the Hours of Clarification, Title 202, dated March 11, 1965, it is not an upgrade within the normal Line of Progression.

After the Joint Statement of Facts has been completed, the Committee should again attempt to reach a settlement in this case. If not, the case should be returned to the Review Committee for settlement.

 Review Committee
