RE LETTER OF
SUBJECT San Joaquin Division Grievance No. D.Gr/C 25-74-10
Request of Re-Award of Distribution Operator
P-RC 97

October 29, 1974

MR. A. O. CLARK, Chairman
San Joaquin Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned to the Division for settlement in accordance with the following:

In reviewing the Joint Statement of Facts submitted to the Review Committee, it is evident that the Distribution Operator vacancy occurred on July 1, 1974, and Mr. Wolf was placed into the vacancy from an exempt classification as a result of his personal family problems and the effect it had upon his job performance. Additionally, the record indicates that Mr. Wolf was placed into the vacancy under the provisions of Section 206.16 of the Physical Agreement. With that being the case, a contractual violation did not occur inasmuch as Mr. Wolf's demotion was properly affected under the provisions of Title 206 of the Agreement.

This case is considered closed and will not be docketed on the agenda of the Review Committee.

Review Committee
