 RE LETTER OF  
 SUBJECT                      Colgate Division Grievance No. D.Gr/C 12-74-3  
                                   Use of Troubleman in Another Service Area Other Than His Own  
                                   P-RC 112

November 25, 1974

MR. D. N. STRUNK, Chairman  
 Colgate Division  
 Joint Grievance Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned to the Division for settlement in accordance with the following:

The unresolved issue in dispute is one of assigning the Oroville Troubleman to a call in the Gridley service area to perform routine work. It appears to the Pre-Review Committee that the Company's original answer to the grievance on July 15, 1974 is a reasonable approach to resolving the dispute. Even though Union's member of the Pre-Review Committee has some reservations concerning the need for the Oroville Troubleman to respond to Gridley in this case, it is, however, the opinion of the Pre-Review Committee that there was no violation of the Labor Agreement and to that end agrees that the original answer to the grievance is a satisfactory resolution to the grievance.

This case is considered closed and will not be docketed on the agenda of the Review Committee. This closure should be noted in the minutes of your next Joint Grievance Committee meeting.

 Review Committee
