East Bay Division Grievance No. 1-75-87
P-RC 233
Garageman Performing Clerical Duties

January 16, 1978

MR. C. E. ALTMAN, Chairman
East Bay Division
Joint Grievance Committee

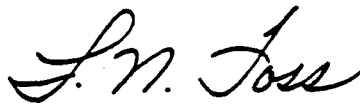

The above-subject grievance has been discussed by the Pre-Review Committee prior its docketing on the agenda of the Review Committee and is being returned, pursuant to Section 1 B(2) of the Review Committee procedure, to the Joint Grievance Committee for settlement in accordance with the following:

The issue in dispute concerns the assignment of a Garageman headquartered in Concord to perform clerical work. The grievant is claiming that the work is not provided for in his job definition, and the work should be reassigned to the appropriate clerical classification as a result of this correction asked, the Joint Grievance Committee and the Pre-Review Committee have discussed the appropriate clerical classification, if any, and the consequence of reclassifying a Garageman to a clerical classification. However, it has come to the attention of the Pre-Review Committee that the grievant is no longer in the job, and the job duties have currently been transferred to two other employees in other classifications. If this is the case, the correction asked for is inappropriate, and the Pre-Review Committee should only resolve the question of clerical work being performed by garage personnel, and to that end, the Pre-Review Committee agrees that the clerical work performed in the Concord garage is appropriately the work of a Parts Clerk as provided for in Title 600, Exhibit VI-D, of the Job Definitions and Lines of Progression, General Services Department. In view of the above the Division should take the necessary steps to establish a Parts Clerk classification.

This case is considered closed on the basis of the foregoing, and the closure should be so noted in the minutes of your next Joint Grievance Committee meeting.
