 LETTER DECISION
 PRE-REVIEW REFERRAL

Coast Valleys Division Grievance No. 18-92-77-21
P-RC 315
General Construction Employees Performing
Division Work

October 20, 1977

MR. D. W. PHIPPS, Chairman
Coast Valleys Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Section 1B(2) of the Review Committee procedure, to the Joint Grievance Committee for settlement in accordance with the following:

The issue concerns the grievant, a Special Mechanic at Moss Landing Power Plant, alleging that he was entitled to work prearranged overtime on Saturday and Sunday, February 19 and 20, 1977, assisting General Construction install insulation on No. 5 Main Unit. The job was assigned to General Construction Department in November, 1976, however, it became necessary to loan the grievant to General Construction to help in the removing of the insulation. He was not needed in the reassembly and was, therefore, not assigned to the General Construction crew. The issue appears to be one of jurisdiction, and in view of the circumstances, the Pre-Review Committee agrees that Title 308 of the Physical Agreement is applicable and not Title 208, and a contractual violation did not occur.

This case is considered closed on the basis of the foregoing, and the closure should be so noted in the minutes of your next Joint Grievance Committee meeting.
