Re: Fact Finding Committee No. 436-77-33
San Francisco Division Grievance No. 2-121-76-121
P-RC 318

Dear Mr. Foss:

The above-subject case has been referred to arbitration. The parties have not selected an arbitrator or agreed upon a Submission Agreement. However, it has come to our attention that Ms. Weeks has transferred to the Central Payment Processing Center effective August 1, 1977, and is no longer in the Customer Services Department in San Francisco Division.

With this being the case, it is believed that a cash award to Ms. Weeks, equivalent to the time that she was bypassed that is at issue in this grievance, is an equitable settlement of her claim. The proposed settlement is without prejudice to the Company's or Union's position with respect to the issues raised in this case.

If you are in accord with the foregoing and agree thereto, please sign this decision in the space provided below for your signature.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
