Local Investigating Committee

The above-subject grievances have been discussed by the Pre-Review Committee prior to their docketing on the agenda of the Review Committee and are being returned, pursuant to Sections I B(1) and (2) of the Review Committee procedure, to the Local Investigating Committee for settlement in accordance with the following:

The grievances both concern the floating holiday entitlements of various employees who were hired subsequent to January 1, 1977, and had not attained regular status prior to July 1 of 1977. This problem is not new to the Review Committee, and the issue was settled in Review Committee File No. 1429 (attached). Therefore, the Pre-Review Committee is of the opinion that these cases should be settled consistent with the above-mentioned Review Committee decision. In the case of grievant, Dobbs, he took the day off and, therefore, should be reimbursed for the loss in pay.

These cases are considered closed on the basis of the foregoing and the adjustments provided herein, and the closure so noted in the minutes of your next Joint Grievance Committee meeting.
