Coast Valleys Division Grievance No. 18-143-77-72
P-RC 342
Alleged Denial of Meal Entitlement, Gas Serviceman

May 5, 1978

MR. D. W. PHIPPS, Chairman
Coast Valleys Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Section I B(2) of the Review Committee procedure, to the Joint Grievance Committee for settlement in accordance with the following:

The issue concerns the meal entitlement of a Gas Serviceman who worked one hour beyond his regular quitting time on October 31, 1977. The issue in dispute concerns the interpretation of Section 104.4 of the Physical Labor Agreement, and to that end, the Pre-Review Committee is in agreement that the Contract requires an employee to perform work for more than one hour beyond his regular work hours; therefore, the grievant is not entitled to the correction asked for.

This case is considered closed on the basis of the foregoing, and the closure should be so noted in the minutes of your next Joint Grievance Committee meeting.
