MR. K. H. WHALEN, Chairman
San Francisco Division
Joint Grievance Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Section I B(2) of the Review Committee procedure, to the Joint Grievance Committee for settlement in accordance with the following:

The Joint Statement of Facts indicates that the dispute revolves around the application of Subsection 103.3(a) of the Physical Labor Agreement as it relates to the number of employees off on their "floating holiday." The Pre-Review Committee was informed prior to July 3 that a settlement of the issue was reached at the Division level, and if that was the case, the Pre-Review Committee considers the issue moot and the case closed.

This case is considered closed on the basis of the foregoing, and the closure should be so noted in the minutes of your next Joint Grievance Committee meeting.

MR. K. H. WHALEN, Chairman
San Francisco Division
Joint Grievance Committee

The Pre-Review Committee is in receipt of your letter dated April 10, 1979, concerning the number of Cable Splicers allowed to take July 3, 1978, as their floating holiday. The questions that your Committee posed to the Review Committee relative to this issue is currently the subject of a proposed Labor Agreement Clarification (Sections 103.3(a) and 14.3(a)) submitted to the Union for their consideration. If that Agreement is signed, the issue will be resolved, and until that time, the Review Committee is not in a position to consider the matter further.
