Steam Generation Grievance No. 24-123-85-94
P-RC 1142

December 23, 1987

MARK RICHARDS, Company Member
Steam Generation Division
Local Investigating Committee

BOB CHOATE, Union Member
Steam Generation Division
Local Investigating Committee

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned, pursuant to Step 5A(ii) of the grievance procedure, to the Local Investigating Committee for settlement in accordance with the following:

Facts of the Case

Company unilaterally changed the basic workweek of a Materialsman at the Geysers from Monday - Friday to Wednesday - Sunday. The stated reason for the change was to better serve operating and maintenance employees working on the weekends. When working alone on the weekends, the Materialsman was upgraded to Materials Facilityman.

Discussion

The Committee agrees that Company's unilateral establishment of such a workweek for this classification is provided for in Section 202.15 of the Physical Agreement.

This case is closed without adjustment and such closure should be noted by the Local Investigating Committee.
