Joint Grievance Committee

### Subject of Grievance

Company's failure to rotate employee per Contract Section 301.18.

### Settlement

After docketing this case on the P-RC agenda and prior to its discussion at that level, the company rotated the grievant to his residence area on October 17, 1988 which therefore rendered the grievance issue moot.

Based on such action, and without prejudice to the position of the parties, this case is closed and such closure should be noted in the Joint Grievance Committee minutes.
