Grievance Issue: The Company use of Environmental Consultants, Inc. to perform work with the Company's tree trimming contractor.

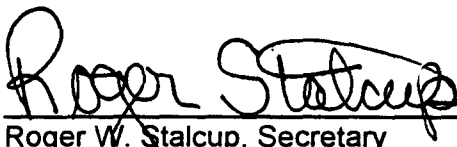

Discussion and Disposition:

The issue raised in the above listed grievances were heard by Arbitrator Kintz in Arbitration Case No. 201. Kintz determined that the weight of the evidence does not establish a category in which a material amount (as defined by 207.2(c)) of bargaining unit work was performed by subcontractors.

These cases are closed without adjustment and are removed from RC 1765 and Arbitration Case No. 199.
