Grievance Issue: The Company use of Environmental Consultants, Inc. to perform work with the Company's tree trimming contractor.

Discussion and Disposition:

The issue raised in the above listed grievance was heard by Arbitrator Kintz in Arbitration Case No. 201. Kintz determined that the weight of the evidence does not establish a category in which a material amount (as defined by 207.2(c)) of bargaining unit work was performed by subcontractors.

This case is closed without adjustment.
