

**Title 206 Grievance Committee Settlement  
Peninsula Division Grievance No. BEL-94-15  
Fact Finding No. 5927-94-376  
Pre-Review Committee No. 1930**

**RECEIVED APR 25 1996**

**CASE CLOSED  
FILED & LOGGED**

**Facts of the Case:**

The grievant was hired by the Company on January 22, 1985 and at the time of displacement was a Groundman. The grievant was placed as a DC Utility Worker - Electric . The grievant believed the placement should have been into either Utility Worker - Electric Materials Distribution or Utility Worker - Building Services under Section 206.6.

The grievant was placed into his 12th option. The other options were either compressed out or assigned to more senior employees.

**Discussion and Disposition:**

The grievant's placement under Title 206 did not constitute a violation of the Labor Agreement. This case is closed without adjustment.
