Pre-Review Committee File No. 1938

Union Member  
Local Investigating Committee

Grievance Issue:

Company established the hours of work - 9:30 a.m. to 6:00 p.m. for one Electric T&D crew pursuant to Section 202.5 (a) of the Agreement.

Discussion and Disposition:

This grievance involved the creation of a late shift for the Construction, Maintenance and Operation, Electric groups at both the Belmont and Colma yards. Recently, Peninsula Division management decided to cancel this late shift at Belmont (the shift was never established at Colma) and will not seek to create the shift in either location in the foreseeable future. Given the above, the Pre-Review Committee refers this case back to the Local Investigating Committee for settlement.
