Subject of the Grievance

This case concerns whether the work assignment of an Inspector A in GC Gas Transmission violated the provisions of Letter Agreement 08-05.

Facts of the Case

The grievant is an Inspector A. In Letter Agreement 08-05, IBEW, the grievant became part of the Physical bargaining unit and his work duties were described in the letter agreement. He was the only employee covered by the letter agreement. This grievance challenges whether the work assigned to the grievant is appropriate and whether his work was inappropriately contracted.

Discussion

The Company and Union recently entered into Letter Agreement 12-02. That agreement includes a provision to close this grievance without adjustment.

Decision

The Committee agrees to close this grievance without adjustment in accordance with Letter Agreement 12-02.
