Dear Mr. Thompson:

**Re: Review Committee File No. 4  
General Construction Department  
Fansho Substation**

Relative to the Union's position concerning the misunderstanding at Fansho Substation on March 17, 1952, it is felt that due to the long period of time which has elapsed the facts have become so obscure it is impossible to reach a decision on this grievance. Under the circumstances, we withdraw this grievance without prejudice to our position on future grievances of a similar nature.

Therefore, upon receipt of advice from your office we shall consider this case closed.

Very truly yours,
