

REVIEW COMMITTEE DECISION

FILE: R.C. No. 19 - Lunch Expense for Troubleman
Middle River, Stockton Division

SUBJECT OF GRIEVANCE:

An employee classified as a Troubleman headquartered at Middle River relieves at Tracy, according to schedule, one day each week. On such day he travels to and from Tracy on Company time, returning to his headquarters at Middle River at the conclusion of the day's work. Reimbursement for the employee's lunch expense while working at Tracy is requested on the basis that such reimbursement is provided for in Section 201.3 of the Agreement inasmuch as the employee is temporarily required to be away from his work area and is unable to return thereto in order to adhere to his usual lunch arrangement.

STATEMENT AND DECISION:

After a review of this grievance by the Committee the decision has been reached that under the provisions of Section 201.3, reimbursement for lunch expense is not required in cases where an employee is assigned to work locations as provided by a regular work schedule. Under such conditions the work locations to which the employee reports according to schedule are within his established work area.
