PC 85

MR. E. W. HARRISON, Chairman
General Construction Department
Joint Grievance Committee

The Review Committee has agreed to your request of January 31, 1955 that General Construction Department Grievance No. 241A be referred back for further consideration by your Committee.

This case is now noted as closed in the Review Committee records and your Committee may again take it under consideration in view of the additional information which you state has recently been brought to your attention.

V. J. THOMPSON, Chairman
Review Committee
