Dear Mr. Bushby:

This will acknowledge receipt of your letter of July 27, 1955 with reference to R.C. File No. 97.

The Company's policy concerning former Coast Counties employees who entered military service while in the employ of that Company and who present themselves for reinstatement by applying to this Company is to follow the same practice now effective for P.G. and E. employees who entered military service and thereafter return to the Company's employ.

There are no former Coast Counties employees on leave of absence from that Company for personal reasons.

Yours very truly,

V. J. THOMPSON, Chairman
Review Committee.

Mr. V. J. Thompson, Chairman
Joint Review Committee
Pacific Gas and Electric Company
245 Market Street
San Francisco 6, California

Dear Mr. Thompson:

Relative to our discussions on Review Committee File No. 97, Union's members of the Review Committee can agree that contractually there is nothing to be considered in this case. However, we feel that in order to be able in the future to dispose of cases of a like nature that the Company's position relative to these situations should be declared in writing. We are willing to go along with the idea outlined in our meeting of the 12th whereby the Company will state in writing its policy in connection with those people presently on leaves granted under the Coast Counties Company, and also those leaves which had to do with military activity. With this consideration the Union's Review Committee would be willing to drop this case from the Review Committee.

Very truly yours,

Elmer B. Bushby, Secretary
Union's Review Committee
Local Union 1245, I.B.E.W.
