Dear Mr. Thompson:

Re: R.C. File #103
(Disregard of Seniority in Temporary
Appointments and Permanent Award)

It is the opinion of the Union's Members Review Committee that due to the confusion which resulted from the application of two different measures of seniority in awarding temporary and permanent jobs, that it is impossible to adjust this case at this late date. Therefore, we feel that this case should be dropped from the Review Committee file, with the understanding that this situation will be corrected with future study and correction of Section 205.7 (b) of the bidding procedure.

Yours very truly,

L. L. Mitchell, Secretary
Union Review Committee
Local Union 1245, I.B.E.W
