

RC 132

December 10, 1956

Mr. V. J. Thompson, Chairman
Review Committee
Pacific Gas and Electric Company
245 Market Street
San Francisco 6, California

Dear Mr. Thompson:

With the assurance of your committee that the problem in Roseville pertaining to the dispatching of service personnel by clerical employees will soon be resolved by rearrangement of operating procedures in this office, the Union's Committee is withdrawing R. C. Case No. 132.

In our discussions it was pointed out by the Union's members that should this action not occur within a reasonable period of time, or that the problem not be cleared up by this method, we would reinstitute a similar grievance at the Division level.

It is also understood that this withdrawal shall not constitute an agreement which would affect our scheduled discussions on this problem system-wide.

Yours very truly,

L. L. Mitchell, Secretary
Review Committee
