

REVIEW COMMITTEE DECISION

Review Committee File Number 189
Coast Valleys Division Grievance Number 63

Subject of Grievance:

A Clerk C classification was established in the Division Electric Superintendent's Office at Santa Maria. The Union believed the classification should have been established as an Assistant Foreman Clerk, which is in the physical bargaining unit.

Statement and Decision:

Although it is recognized that some overlapping of Clerk C and Assistant Foreman Clerk duties are involved in the established job, it has been determined that the principal reason for creating the Clerk C classification was to relieve the estimating group of clerical work.

It is our opinion that the provisions of the Labor Agreement were not violated.
