Mr. V. J. Thompson, Chairman
Review Committee
Pacific Gas & Electric Company
245 Market Street
San Francisco 6, California

Dear Mr. Thompson:

In view of the change in operations whereby the warehouse facility at 375 Mission Street, San Francisco, was rated as a full Substore and thus removed the issue involved in Review Committee File #218 (San Francisco Grievance #99), and whereby no useful purpose would be served in pursuing the grievance, Union's members of the Review Committee hereby withdraw this grievance and will consider the case closed.

Very truly yours,

L. L. Mitchell, Secretary
Review Committee
