Dear Mr. Brown:

Reference is made to Review Committee Files No. 180 (East Bay Division Grievance #120) and No. 295 (San Joaquin Division Grievance #168). These cases are being withdrawn from the active Review Committee file and shall be considered closed, based on the following quotation from the 5/25/67 draft of the Master Apprenticeship Agreement:

"G - TRAINING OF APPRENTICES

2. An employee in an apprentice classification may be assigned to work alone as part of his training and experience. Such assignments shall be limited to work processes on which he has received prior instruction and training, and such assignments shall be for the purpose of developing and demonstrating proficiency. It is not intended such assignments be made merely to avoid use of a journeyman."

Very truly yours,

John J. Wilder, Secretary
Review Committee
