May 3, 1962

MR. W. H. PETERSON, CHAIRMAN  
EAST BAY DIVISION JOINT GRIEVANCE COMMITTEE

Reference is made to our recent discussion with Mr. Paul Bailey and a representative of your office concerning the above subject grievance. Review Case #352  
East Bay Division Grievance #200

May 18, 1962

This case settled with no problems. Attached award sheet (page 2) shows the corrected awards. Hunter was awarded Job #1:1954, the vacancy originally contested. He later bid Job #1:2196. It was agreed that if the original job was awarded properly, Hunter would have been a 205.7(a) bidder on Job #1:2196, and was so awarded on this basis. This completes this case.
