Review Committee File no. 354  
North Bay Division Grievance No. 4-35  
Award of Mechanic Vacancy in Gas Street Department

September 10, 1962

MR. D. K. STUART, Chairman  
North Bay Division  
Joint Grievance Committee

The above-subject grievance is herewith returned to the Division Joint Grievance Committee for final disposition. In accordance with the provisions of Section 205.10, Mr. Wicht was entitled to preferential consideration for appointment to the vacancy concerned in this dispute provided that the otherwise successful bidder (W. F. Carr) did not have greater department seniority than Mr. Wicht. The record evidences that Mr. Wicht had greater department seniority than Mr. Carr.

In view of the foregoing, the Division Joint Grievance Committee shall order the re-award of the disputed appointment to Mr. Wicht effective, for seniority purposes only, as of the date of the original award. No retroactive pay adjustment is involved.
