Mr. V. J. Thompson, Chairman
Review Committee
Pacific Gas & Electric Company

Dear Mr. Thompson:

In light of the fact that a resume of a system survey in the Warehouse Department relative to the issue involved in Review Case #405 (San Joaquin Division Grievance #25-185) shows that the job duties in question are, in fact, being performed by Warehousemen throughout the system, the Union is withdrawing this case and will consider it closed.

Very truly yours,

L. L. Mitchell, Secretary
Review Committee
