Review Committee File No. 457
North Bay Division Grievance No. 4-87

This case is withdrawn from the active Review file and Union will consider it closed.

Union has submitted a proposal to establish a classification which would cover the duties we believe exceed those of the Equipment Mechanic and which form the basis for this grievance.

R. C. #457 is therefore being withdrawn in the hope that this problem can be resolved on the basis of negotiations on our proposal.
