Review Committee File No. 459
Drum Division Grievance No. 15-63-3

This case is withdrawn from the active Review file and Union will consider it closed.

The possibility of a similar fact situation as that occurring in R. C. #459 seems somewhat remote. This case, with the factual situation that exists, does not lend itself to a ready determination of the issue, and we believe the matter could be more readily resolved at a later date should an actual incident occur which would again raise the issue.
