Joint Grievance Committee
North Bay Division**

The Union has advised the Company that the above subject grievance has been withdrawn and this case will be considered closed. We are attaching a statement of the withdrawal. It will be in order for you to note in the minutes of your next Division Joint Grievance Committee meeting that this case is considered closed.

It is recommended that you review the situation concerned in this grievance with a view towards posting service employees' work schedules. This will prevent a recurrence of the situation complained of in the grievance, even though we recognize that in small Districts service employees may have verbal instruction regarding holiday work.
