Review Committee File No. 486
San Francisco Division Grievance No. 2-63-9

Review Committee File No. 520
San Francisco Division Grievance No. 2-63-15

The Union is withdrawing R. C. #486 and R. C. #520 from the file on the understanding that the San Francisco Division will provide an opportunity for the grievants to be retested in accordance with the provisions of the newly adopted screening program for Servicemen, and they will then be allowed to reattend the Serviceman's Training School if they pass. Our understanding in this matter, because of the recently added math requirements of the screening program, is that a passing grade of 40 on the Madden-Peak arithmetic test will be considered passing for these two employees. It is also our understanding that they will be allowed to take these tests a total of four (4) times including, as times taken, those tests taken prior to our discussions on this matter. Such test shall be taken upon the request of the individuals in accordance with the screening agreement and are not mandatory at any particular time.
