The Union is withdrawing R. C. #490 and R. C. #544 and will consider these cases closed. The matter of bidding rights for the field man is clearly outlined by the line of progression. These lines of progression do not provide preferential bidding rights for field man to the Serviceman classification, either as a next lower classification or to consider classification seniority as a Helper in bidding to this job. The awards as interpreted by the Division in these cases were correct.
