**MR. W. H. PETERSON, Chairman
East Bay Division
Joint Grievance Committee**

The Union has recently informed the Company members of the Review Committee that the subject grievance should be removed from the agenda of the Review Committee. The grievance is considered closed as a result of the establishment of testing criteria for bids to Apprentice Electrical Technician. We are attaching a copy of the Union's letter for your information.

It will be in order for you to note in the minutes of your next Division Joint Grievance Committee meeting that this case is considered closed.

Mr. L. V. Brown, Chairman
Review Committee
Pacific Gas & Electric Company
245 Market Street
San Francisco 6, California

Dear Mr. Brown:

With reference to Review Committee File No. 498
(East Bay Division Grievance No. 1-63-1), the
Union and Company on June 3, 1964 executed a
letter of agreement which established a jointly
approved test for determining the qualifications
of bidders to Apprentice Electrical Technician
jobs and thus removed the disagreement which
instituted R. C. #498.

Therefore, Union's Members of the Review Committee
consider the grievance to be answered and will
consider this case closed.

Very truly yours,

L. L. Mitchell, Secretary
Review Committee
