Line Crew Employees

October 30, 1964

MR. D. K. STUART, Chairman
North Bay Division
Joint Grievance Committee

As discussed with you by Carl Yager, the Review Committee has concluded its discussion relative to the above subject grievance. We are attaching Union's comment relative to the disposition of this case.

The Company is in accord with the Union's proposal and recommends that the Company, with Union's cooperation, establish schedules for employees who volunteer to be readily available for duty in case of emergency, as provided in Section 212.1 of the Physical Agreement.

It should be noted in the minutes of the Joint Grievance Committee that this case has been referred back to the Division for disposition.
