**Review Committee File No. 536  
Humboldt Division Grievance No. 19-64-1**

The matter of entitlement of a shift worker to payment for the time to eat a meal cannot be decided by R. C. #536 under the facts of this case due to the employee's decision to forego the meal to which he was entitled. This case is similar to R. C. #480 which was withdrawn with the understanding that Union and Company would develop a clarification on the Meal provisions as they affect those shift employees who are not actually on watch during a meal period. We believe that this procedure will answer the problem for the future and that R. C. #536, as an active case, will not assist in making such a determination.

Union is therefore withdrawing R. C. #536 and will consider this case closed.

Review Committee**
