Mr. L. V. Brown, Chairman
Review Committee
Pacific Gas & Electric Company

Dear Mr. Brown:

This will advise that Union is withdrawing Review Committee File No. 608 (L.I.C. No. 16-64-7, Stockton Division) from the active file and will consider this case closed with the understanding that record-keeping procedures will, in the future, provide for the retention of the last test taken. Further, that the notice letter to the employee will definitely indicate failure or passing of each test taken and, where test requirements are different for certain classifications, it will clearly state the qualification status for each classification.

Very truly yours,

L. L. Mitchell, Secretary
Review Committee
