MR. S. C. ANDERSON, Chairman  
De Sabla Division  
Joint Grievance Committee

The above-subject grievances have recently been discussed by the Review Committee. The grievances are being returned to the Joint Grievance Committee for further consideration and discussion. The Review Committee recommends that the grievances be assigned to your Personnel Manager and to the Union Business Representative for review and recommendations as to their settlement.

In view of the age of the grievances, the Review Committee believes that there is a possibility changes have taken place in the circumstances surrounding the grievances which will enable the Joint Grievance Committee to settle the grievances.
