**Review Committee File No. 624-65-18  
North Bay Division Grievance No. 4-65-1**

**The issue involved in R. C. #624 is one which should be discussed without the prejudice of a particular case at issue. It is Union's contention that driving and operation should be delineated and categorized as to classifications which may be utilized for either or both of these two duties. With this idea in mind, Union is withdrawing this case from the active file and will consider R. C. #624 closed.**
