Change of Work Hours

May 3, 1967

MR. D. K. STUART, Chairman
North Bay Division
Joint Grievance Committee

The above-subject grievance is returned to your Division Joint Grievance Committee for settlement in accordance with the following understanding of the Review Committee:

The record submitted to Review evidences that the employee's hours of work were changed, temporarily, on May 17, 1965. As a means of settling this case, without prejudice, the employee should be compensated for the change in accordance with the provisions of the "Hours Clarification", if this has not been done. If a retroactive pay adjustment is required, the Division will prepare the necessary authorization.

After completing the review, and making the necessary retroactive pay adjustment, if required, the case will be considered closed. It should be so noted in the minutes of the following meeting of the Joint Grievance Committee.
