RE LETTER OF SUBJECT **Review Committee File No. 665**
North Bay Division Grievance Committee No. 4-65-21
Change of Lunch Hour

May 3, 1967

MR. D. K. STUART, Chairman
North Bay Division
Joint Grievance Committee

The above-subject grievance is returned to your Division Joint Grievance Committee for disposition in accordance with the following understanding of the Review Committee:

The assignment of Senior Line Truck Driver C. Greaves as a temporary Assistant Foreman's Clerk/Warehouseman should be reviewed for conformance to the provisions of the "Hours Clarification." The facts submitted to the Review Committee indicate that his hours of work were changed following the assignment, i.e., prior to the assignment the employee took a one-half hour lunch period and following the assignment a one-hour lunch assignment. The change would apparently affect either his reporting or dismissal time.

If the employee has not been compensated properly, as a result of the change of hours, the Division should adjust his pay accordingly. In either event, the case will be considered closed without prejudice to the positions of Company or Union, and, following your review and adjustment, if necessary, should be so noted in the minutes of the following meeting of your Joint Grievance Committee.
