MR. A. P. FEDOTIEFF, Chairman
Central Stores
Joint Grievance Committee

The above subject grievance was referred to the Review Committee on December 30, 1965. Since then, Company and Union members of the Committee have discussed the correction sought by the grievant as well as Company's answer to the grievance. It is the decision of the Review Committee that the employee should be paid as a Machinist for the period in question.

It will be in order for you to obtain the proper authorization to give effect to this decision, after which the case will be considered closed.

L. V. BROWN
