Review Committee File No. 683
General Office Grievance No. 22-65-5
Filling Clerk B Vacancy

RECEIVED
MAR 23 1966
LOCAL 115, I.B.E.W.

March 21, 1966

MR. EDMOND H. PERRIGUEY, Chairman
General Office
Joint Grievance Committee

The above subject grievance was referred to the Review Committee on January 17, 1966. Since then the grievance has been discussed by the members of the Review Committee, as well as with the department concerned.

Briefly, we find that through an oversight the vacancy created by the transfer of Mr. Nocito on December 31, 1964, was not filled and Mr. O'Sullivan was continued on as a temporary replacement. To rectify the oversight, the vacancy should be filled by appointment as it would have been on that date, and such appointment posted as provided in Title 18.

The appointee shall accrue classification seniority from January 1, 1965, and receive a retroactive wage adjustment in the higher classification, if any would have accrued, from July 20, 1965.

After complying with the foregoing, the case may be considered closed.
