Review Committee File No. 714
General Office Grievance No. D.Gr/C 22-66-5
Termination of Employment

11-2-67
October 30, 1967

MR. E. H. PERRIGUEY, Chairman
General Office
Joint Grievance Committee

The above-subject grievance was discussed at the last meeting of the Review Committee. Inasmuch as Mrs. Salvato resigned from Company and did not request a leave of absence, her leaving does not present a subject for determination through the grievance procedure.

Although extraneous to this case, the department's answer to the grievance asserts a department practice that employees must take a leave of absence after the sixth month of pregnancy. This has been discussed with the department and the practice discontinued.

This case is closed and should be so noted in the minutes of your next Joint Grievance Committee meeting.
