Review Committee File No. 720  
Material Control Grievance No. D.Gr/C 21-66-3  
Filling Clerk B Vacancy

June 14, 1967

**MR. A. P. FEDOTIEFF, Chairman**  
Material Control  
Joint Grievance Committee

The above-subject grievance was referred to the Review Committee on September 30, 1966. This case is considered closed without correction and without prejudice to either Company's or Union's position with respect to the merit of the grievance. It should be so noted in the minutes of your next Joint Grievance Committee meeting.

Aside from this case, we note that the Department has on occasion in the past first offered the Clerk B in the Pipe Yard, who is qualified, a transfer to a Clerk B vacancy in the Receiving Department of Material Control. It is our understanding that a similar offer would be extended to the grievant after he accepts an appointment to a B Clerk vacancy in the Pipe Yard.
