MR. K. D. COWAN:

The above-subject grievance was referred to Review by the Division Local Investigating Committee on April 28, 1967. Since then, in addition to discussions by members of the Review Committee, a hearing was held in the Division pursuant to the provisions of Section 102.11.

On the basis of the record submitted, in addition to the testimony given by the grievant and others at the hearing, it is the decision of the Review Committee that the demotion of the grievant to Lineman is sustained. In the future if his job performance demonstrates that he can perform more responsible assignments in his line of progression, he may again be considered for such assignments.
