Dear Mr. Brown:

Reference is made to Review Committee File No. 779-68-11 (San Joaquin Division Grievance No. 25-68-1) regarding operation of the Merced Falls Hydro Plant.

Union is withdrawing this case from the active files of the Review Committee based on Company's letter dated October 31, 1968 covering this subject.

However, it is Union's understanding that Merced Irrigation District's Exchequer Power House will be automated in the near future, which action will necessitate a change in the assignments covered by the aforementioned letter of October 31st. Therefore, Union reserves the right to reopen this case in the event changes are made in the above assignments.

Very truly yours,

John J. Wilder, Secretary
Review Committee
