Dear Mr. Cofer:

Review Committee File No. 835, Sacramento Division Grievance No. 6-68-6, regarding overtime distribution to operate the washing rig at Vacaville was returned to us by the Review Committee on February 20, 1969, for settlement at the local level.

This is to confirm verbal understanding with you that both parties agree that assignment to the washing rig for overtime purposes will be rotated on an annual basis. Assignment to the washing rig will continue to be limited to two drivers at the headquarters with the change in drivers to occur on January 1 of each year.

Will you please sign in the space provided below and return the original and one copy of this agreement to me. The other two copies are for your files.

Sincerely,
