Review Committee File No. 848
Coast Valleys Division Grievance No. D.Gr/C 18-68-7
Change in Hours of Shift Employees

February 19, 1969

MR. E. E. HYDE, Chairman
Coast Valleys Division
Joint Grievance Committee

The above-subject grievance is being referred back to the Joint Grievance Committee for further discussion and attempt to dispose of the grievance locally. The Review Committee is of the opinion that the facts of this case indicate that it should be withdrawn without prejudice. The Joint Grievance Committee, however, should discuss the problem further with respect to how future situations of a similar nature would be handled so that the misunderstanding which has arisen in this case might be avoided.

Following this the minutes of your next Joint Grievance Committee meeting should state that the case has been closed without prejudice based on an understanding as to the procedure to be followed in future instances of the same kind.
