Failure of Company to Call Regular Machinist for
an Overtime Assignment

2/D

December 17, 1969

MR. R. W. HORTON, Chairman
Pipe Line Operations
Joint Grievance Committee

The above-subject grievance has been discussed by the Review Committee and is being returned to the Joint Grievance Committee for settlement.

It is the opinion of the Review Committee that the supervisor's decision to upgrade the Plant Mechanic to Machinist was proper in view of the circumstances at the time. This case should be considered closed and so noted in the minutes of the next Joint Grievance Committee meeting.
